3. [REDACTED] I queried Bill Jordan, Senator Proxmire's Senate Appropriations Committee, Foreign Operations Subcommittee staff, as to whether Alfred McCoy had provided the Subcommittee with material which would back up the various allegations he had made in his testimony on 2 June to the effect that US officials were condoning or encouraging illicit drug traffic in Southeast Asia. Jordan directed me to Mr. Neilson McGowan, of the Appropriations Committee staff, who made the unclassified transcript with several supplements provided by McCoy available to me. See Memorandum for the Record.

[Redacted] Met briefly with Bill Woodruff, Counsel, Senate Appropriations Committee, and left with him for his review a draft of a proposed Agency comment to the Senate Government Operations Committee on S. 3529 establishing reporting requirements for governmental commissions and committees.

I also left with Woodruff a copy of Senator Proxmire's letter of 19 June 1972 to AID on the Public Safety Program. Woodruff suggested we try to get AID out of the middle on this and have Proxmire referred to the Agency.
